

Founded in 1970 Crusade for Life is one of the oldest pro-life organizations in America. Our work includes conferences, church and other presentations, publications, side walk counseling, and pregnancy help. Our accomplishments include the production of major pro-life films, including the famous The Silent Scream film. At this juncture, our efforts are being directed to ending legal abortion in America forever. This will require the enactment of a Constitutional Amendment. Only such an Amendment can override the US Supreme Court's 1973 decision that an unborn child is not a person. This has resulted in over 60 million abortions. The proposed Amendment establishes that an unborn child is a person, having the protection now afforded to all people in America by the the 5th and the 14th Amendments.
